

Hi Makeup.ua team,

I hope you're having a good day!

I wanted to check what personal data you might have about me in your system. As I understand, under Article 15 of the GDPR, I can ask for access to this information, so I'd really appreciate your help.

Specifically, I'd like to know:

- What data you're storing or using
- Why you're using it
- Who you might share it with
- How long you plan to keep it
- If any of it comes from other sources
- And whether any automated decisions are being made using it

If it's possible, I'd also appreciate getting a copy of the personal data you store about me.

Thanks a lot for your time, and I look forward to hearing back from you!

All the best,
Andrii

Hi Rozetka team,

I'm writing to ask what personal data you hold about me and how it's used. I know that under the GDPR (Article 15), I have the right to request this kind of information.

Could you please let me know:

- What data you're processing about me
- Why you're processing it
- Who you share it with
- How long you keep it

- Where the data comes from (if not directly from me)
- And if you use it for any automated decisions or profiling

If you can, I'd also appreciate a copy of my personal data.

Thanks a lot for taking the time to look into this! Please let me know if you need anything else from my side.

Kind regards,
Andrii
